

## iPad Application List for new students in Year 4-6 in 2020

iPad devices that were purchased **after September 1, 2013** should have the Apple suite of apps as standard. That includes **iMovie, Pages, Numbers** and **Keynote**. Therefore you **DO NOT** need to buy them however you may need to download them. iPad devices that were purchased **before September 1, 2013** will need to buy the Apple suite of apps. As these come standard with devices, these have not been included in the paid list of apps but please ensure they are downloaded.

### Paid Applications

All iPads need to have the following apps installed.
