

Dalkeith Primary School iPad Agreement K-2

Dalkeith Primary School has a shared responsibility approach to the safe use of digital devices. The three main stakeholders are students, parents and teachers.

The Dalkeith Primary School iPromise will help keep you safe when you are using the school's technology. All stakeholders are required to agree to the iPromise before using any school related technology or accessing the school's Internet.

As a student at Dalkeith Primary School:

- I will ask the teacher first before using the iPad in my classroom;
- I will carry the iPad with two hands at all times;
- I will walk while holding an iPad;
- I will put the iPad in a safe place;
- I will tell an adult anything that I see that may make me feel uncomfortable;
- I will report any accidental damage that I find or that might happen;
- I will only use the websites or apps that my teacher tells me to use;
- I will only take pictures or videos with permission from my teacher.
