

## IPAD PARTNERSHIP AGREEMENT – YEARS 3-6

The iPad Partnership Agreement is a contract between parents, teachers, and students. It is to ensure that all parties work together so that students become active and responsible digital citizens and users of technology.

### STUDENT

- I will ensure my iPad is fully charged daily and stored in the designated area in the classroom.
- I will only photograph/film/record other individuals with their permission or knowledge.
- I will only use social media at school or home with teacher/parent permission, and when given permission, I will use it appropriately.
- I will only use AirDrop/file sharing apps with teacher permission.
- I will only download applications/content with teacher/parent permission.
- I will only use my iPad before or after school or during breaks with permission and teacher supervision.
- I will not intentionally cause damage to my iPad or another student's iPad.
- I will only use another student's iPad with permission.
- I will not use personal apps during school time (BYOD devices).
- I will only use my iPad for a maximum of two hours per day as per teacher instruction.
- I will not change or remove the Dalkeith Primary School profile.
- At school, my iPad will be correctly named and will not have a passcode.

I understand that I must follow the agreement above to ensure that I am able to use my iPad at Dalkeith Primary School and at home. I understand that if I do not adhere to the agreement, I will lose the privilege of using it for a period of time, or permanently at the teacher's discretion, and in consultation with parents.

### PARENT

- I will endeavour to develop my child into an active and responsible digital citizen and user of technology.
- I will report any inappropriate online use, including social media, by my child and others to the classroom teacher.
- I understand that if my child damages or loses their iPad I am responsible to replace/repair it in a timely manner (only BYOD devices).

### CLASSROOM TEACHER

- I will endeavour to develop my students into active and responsible digital citizens and users of technology.
- I will endeavour to ensure screen time is kept to the recommended maximum (2hrs per day).
- I will supervise all students' app and online use.
- I will ensure that students do not use devices before or after school or during break times without permission.
- I will report any misuse of devices/online use to the administration team as per the Student Online Policy.
